SUGGESTIONS FOR GATHERING SAFETY

Welcome to the Neighborhood Gathering!

Gathering together is a way we can laugh, connect and inspire one another to continue being the best us we can be. To help make it a life giving experience for everyone we have listed several recommendations.

- Wear a face mask. This helps while we move around or when kids hop in the middle of a conversation asking for even more high fructose corn syrup.
- Avoid any touching when possible. Trust me, there will come a time when we can hug.
- Bring your own food! Yes, crush some Cheetos, throw back some sodas and enjoy. Sadly, the church isn't going to provide any food...yet.
- Be one with your body. Meaning there won't be public restrooms available. There might be Porta-Potties. Keep word is might.
- Enjoy! Yes, it's not the same as gathering in the Hub, but it's a time we can see one another. Stay 15 minutes or for the whole two hours.
- Parents with young kids. We're big fans of getting clear, please share with those around you what you are asking your own kids to do or not do. We trust that each parent will prepare their kids and those around them to have an outstanding time.
- Lastly, these are all suggestions. Make yourself comfortable and move in a way that is true to you and your values.

See you Sundays starting July 12
