

WELCOME

THANKS FOR SHOWING UP!

We're really glad you decided to join us for church—wherever you are. This program includes worship lyrics, our gratitude prayer, notes about the message, and information on how to get connected with the other humans in our church community.

ENJOY

Take a deep breath!

We believe that the Church is God's people, connected by the Spirit, to do the words and works of Christ in every place.

Wherever you are, we hope the messages of truth shared here helps to connect you to the Christ in you and all around you.

EXPLORE

You are invited to explore this Jesus-looking life along with your neighbors whether you are connecting in-person or online.

Uncertainty is not a threat here. We find authentic growth as curious, hope-filled discoverers on our journey with Christ.

ENGAGE

Our hope is that you see and experience God throughout your time with us and continue to engage with the Divine throughout your week.

Our faith is lived out in shared experiences with our community. We encourage you to check out the ways we are gathering safely in these uncertain times—or connect with a pastor for encouragement and growth.

WHAT'S UP

COMMON TABLE Sunday, October 3 @ 4-6pm

Sauter's: 20 Kinnunen Rd, Esko and Hamlin's: 3005 Wellington St, Duluth

Common Table is a tradition at Neighborhood. We found that one of the most sacred things we can do is share a meal, laugh, and get to know each other a little better. It's a great and simple way to get more connected in this community. Here's how it works: You RSVP yourself and/or your crew (kids always welcome), bring something to share (if you're able), bring a chair, and enjoy your time!

We will be doing Common Table exclusively outside this year, so it will be weather dependant. We will message everyone who RSVPs if there's a reason to postpone. Shoot me a message at ksauter@neighborhoodchurchmn.org with questions.

RSVP

BLOCK PARTY Wednesday, October 6 @ 7-8:30pm

We're getting the Block Party back together! We've missed you! Come for some fall treats, games and fun. All middle and high school students welcome. We will be gathering every other week at the Hub, though we may go across to the park.

WORSHIP

ALL TOGETHER/ TODOS JUNTOS

Sarah Emano, Matt Farrand

You make all things new
You restore our time
Bring what's dead to life
You make all things new
You make all things new

We will sing out all together
To God who makes us one
Cantaremos todos juntos
A Dios que nos unió

Nos harás uno
Reconcilia
Todos verán tu amor
Nos harás uno
Nos harás uno

We confess our need to be heard and seen
Will you meet us here in the in-between?

BEAUTIFUL THINGS

Lisa Gungor, Michael Gungor

All this pain, I wonder if I'll ever find my way
I wonder if my life could really change at all
All this earth,
could all that is lost ever be found
Could a garden come up from this ground
at all

You make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us

All around, hope is springing up
from this old ground
Out of chaos life is being found in You

You make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us

You make me new, You are making me new

You make me new, You are making me new
(You make beautiful things,
You make beautiful things out of the dust)
You make me new, You are making me new
(You make beautiful things,
You make beautiful things out of us)

You make beautiful things,
You make beautiful things out of the dust

You make beautiful things,
You make beautiful things out of us

GENEROSITY PRAYER

When I Am Among The Trees by Mary Oliver

When I am among the trees,
especially the willows and the honey locust,
equally the beech, the oaks and the pines,
they give off such hints of gladness.
I would almost say that they save me, and daily.

I am so distant from the hope of myself,
in which I have goodness, and discernment,
and never hurry through the world
but walk slowly, and bow often.

Around me the trees stir in their leaves
and call out, "Stay awhile."
The light flows from their branches.

And they call again, "It's simple," they say,
"and you too have come
into the world to do this, to go easy, to be filled
with light, and to shine."
